NEW TO MUSIC TOGETHER?

When you're a parent, you want to give your young child the very best. You want to expose them to every possible opportunity to learn and grow. At Music Together, this starts with creating a bond through music. Since 1987, we've introduced millions of children, parents, and teachers to the joys of music-making and the powerful benefits of having music in their lives.

Today, it's common for us to only listen to music rather than create it ourselves. But actively making music is so important for children's music and overall development. That's why Music Together has never been more essential. Young children learn best through active exploration and live, meaningful interaction with the grownups they love. So we say, take out the earbuds and pick up the instrument we were all given at birth—ourselves!

Music Together Open House

Monday, December 11 at 5:30pm

Downstairs Studio

Cost: Free come and experience a free mini-class with parents/caregiver and child.

Ages: Birth thru 5.

We will also be polling parents on a best day of week and time for weekly classes. While we recognize we cannot select a time that works for everyone we do want to make sure the first class has enough participation to make the class happens. Our goal is to support Emma in her journey as a Music Together Instructor. We plan to work with parents and Emma to have classes at a time that we can guarantee Crossroads and Emma will be a success in Baker City.

We will be starting Music Together the last week of January.

EMMA McCLINTON, INSTRUCTOR

Hi, my name is Emma McClinton and I have a love of all types of dancing. I actually started ballet older than most, but quickly caught on and found a passion. My ballet company was lucky enough to get to study in Cannes, France. I currently substitute Zumba at the YMCA and have taught preschool in the past. Ballet is discipline, fun, emotion, and freedom, all wrapped up in a very traditional but expressive package that reflects enormous history and very vibrant cultural relevance.

Level 1 will focus on the basics and help your child to be comfortable moving in a very precise and somewhat formal way. The goal is to learn the most simple pieces of this art form so that the joy of the movement will shine through.

**EXPLORING SOFT PASTELS WORKSHOP

Start date: Saturday, April 7 and Sunday, April 8

Time: 8:00am-5:00pm (1 Hour Lunch Break)

Location: Downstairs Studio

Cost: \$80.00 for members and \$ 120.00 for non-members.

Minimum number of students: 8 *Maximum:* 16

Ages: Age 14+ Welcome to beginner to intermediate pastel artists.

Supply list available at Crossroads

Course Description: Learn about materials establishing your composition and taking a painting from start to finish. Come play with the intense colors of soft pastel. Learn to mix exciting and complex colors and textures right on the paper.

Soft Pastels offer a very unique artistic experience. Not only are the sticks made of the highest concentration of pure pigment of all the artistic media but they allow for a very immediate process since there is no drying time. For me the excitement is in the way colors are created directly on the painting surface by layering and mixing with varying kinds of strokes. It is a truly tactile process; no brushes, just the pastel stick and fingers. It lends itself beautifully to the very best parts of creating art, experimentation and playfulness. The class will cover ways to prep the painting surface, effective under painting, the order in which to use the different densities of pastels, how to achieve desired colors and textures and finding the best composition for a subject. And there will be practical info about materials and where to acquire further in-depth information about materials and techniques. There will be demos, discussion and gentle critiques. The student should expect to finish at least one piece.

ANTONIA CARRIERE, INSTRUCTOR

Antonia currently has art hanging in Crossroads and has been requested to teach her amazing pastel technique.
