Featuring our Annual Student Art Show
celebrating Baker High School student
artwork and the artwork of Children and
Adult Learners at Crossroads. Celebrate
New Year's in style!

CROSSROADS WISH LIST

55 gallon lawn or leaf garbage bags, gallons of windex, rolls of paper towels, copy machine paper, Murphy Oils Soap, #10 envelopes, liters of Sprite or 7up for First Friday Punch. If you are making an end of year office supply order please contact Crossroads if you would like to order additional office supplies for Crossroads.

VOLUNTEER WISH LIST

Spring Swing Souper Dinner: Volunteers to help us put on our Soup Dinner for the Scholarship Fund which has been on hiatus. The Scholarship fund is getting very low and we need new funds to build it up. Event will be in February. Need folks to help with the planning, set up and serving. Also need potters to make bowls.

VOLUNTEER OPPORTUNITIES

- Crossroads wants to start a new tradition with a *Color Fun Run* to celebrate art and color and spring! Volunteers to help me plan and organize this fun family event for late March. To be inspired by the Hindu Celebration of Holi and celebrating spring. Oh, and we are scheduling a Bollywood Dance Class at Crossroads!
- Crossroads is in search of three additional Board members. The Board would like to grow the Board to 9 committed and involved Board members. Board application form is on the website.
- We need a volunteer coordinator for *Make It and Take It* next year! This job will be the volunteer chair of the event, work to help come up with craft projects, help with volunteers and assist with the day.

Listening Sessions about Crossroads Expansion Update

Thank you to all of those who participated in the listening sessions about the potential of a future expansion of Crossroads. We had over 40 people come in the three sessions and had such good feedback. Thank you to Larry Abell who facilitated the events and Rosemary Abell who was our note taker for all your comments.

As the Executive Director, I am leaving Larry alone so that he can finish his feasibility study of the Welch Building on time, by December 31st! But he has assured me we were going to do a wrap up meeting where all comers are welcome to hear what ideas were generated and he will of course be sharing the final product with the Board of Directors to review. I suspect the Board will undoubtedly use the Annual Meeting on March 16, 2016 as a time to share additional information. Check your newsletter for more details!

End of Year Blitz

- Gift Certificates for Classes at Christmas is a great way to give your child or grandchild, friend or family member a gift that keeps on giving-art education at Crossroads.
- Shop Crossroads for the Holiday Season!
- Donations- Make your last minute donations to Crossroads for general operating support, Carnegie Library Endowment Fund, Hand to Heart Scholarship Fund (which includes the Baker High School Art Scholarship) or to one of our programs such as ArtSpeak, Pottery programs or Missoula Children's Theatre before December 31st.
- Donors tiles—let's get this done by the end of 2015! There are only 6 tiles left! Come in, reserve and pay for the tile before the end of 2015 and you have made your Oregon Cultural Trust local contribution. You simply then donate \$500 to Oregon Cultural Trust and you can take advantage of the great tax benefits. Please contact your tax advisor for advice!
- First Friday Sponsorship: reserve your \$500 First Friday Sponsorships before the end of 2015 and we will bill you in 2106. Contact Cynthia Newman, our Art Director, to select the show that best represents your business, club or organization.
- Membership: Thank you for the huge increases in membership numbers and membership income. But we still only reach a fraction of the audience we should in Baker County and NE Oregon.
- Also take this time as we close out one year and move into another to look at your legacy giving plans and how you may make lasting gifts to the sustainability of Crossroads for decades to come!

Thank you to those who supported Tanya Denne IndieGoGo campaign to raise money to fund research for Parkinson's Research.

Tanya raised \$21,000 and by the time this newsletter comes out should be headed for India to start her research. She will be posting on her Facebook Page her updates on her research from the field. Many missed the campaign and expressed the desire to help and Tanya will be posting shorter IndieGoGo campaigns from India.

Thank You

January in the Gallery

In January we are pleased to welcome Baker High School Art Students and the Students of Crossroads Art Classes, to our annual *Student Art Show*. We look forward to this show each year featuring artwork created under the instruction of Baker High School Art Teacher Kristen Anderson, and Crossroads Art Instructors, including Paul Hoelscher, Becky Litke, Mary Sue Rightmire and Amy VanGaasbeck.

We welcome you to join us on first **Friday, January 1st from 5:30 to 8:00pm** for an opening reception, welcoming the artists. We will have an informal talk presented by the instructors starting at 5:30pm. Light refreshments will be provided by Friends of Crossroads.

This exhibition is generously sponsored by Crossroads Board of Directors

Art Access Pass

Lifelong Learner Lecture Series

Crossroads is starting a free Art Lecture Series open to the public through the generous support of the Oregon Community Foundation. The monthly lecture series will always be on the Wednesday immediately following the first Friday of each month starting at 10:30 am. The one-hour program will start with a walk through the gallery (elevator access available) to view the featured artwork and will be followed with light refreshments and a lecture or demonstration by one of the featured artists or a member of the community speaking about an art or cultural topic.

Our goal is to create an opportunity for life-long learners to come to the Art Center at a quieter time in our schedule and enjoy the featured artwork, to slow down, really look at the work, ask questions and become engaged with artisans through their talks. While this series is designed to welcome a 50 year old + crowd to the Art Center, it is open to everyone.

We welcome you to join us, Wednesday, January 6 at 10:30 am for a walk through the gallery featuring the artwork of Baker High School Art Students and Students of Crossroads Art Classes. Rebecca Litke, a Crossroads art instructor, will talk about her experience teaching students watercolor and pastel. Kristen Anderson, a Baker High School Art teacher, will talk about the artwork students are working on this year at BHS. Join us in the downstairs studio for an hour of conversation and light refreshments provided by Tricia Everson. Wheel chair access is available through the 2nd Street entrance. For more information please contact Crossroads at (541) 523-5369.
