ENTRY CRITERIA

Christmas at Crossroads is open to professional and amateur artists aged 18 and older. All work must be original. Paintings must be dry and appropriately presented, mounted or framed, ready to hang with screw eyes and wire attached. No saw tooth hangers will be accepted. Prints should be appropriately covered to protect artwork. If this is your first time entering a Crossroads open show and you have questions regarding your work, please call the gallery for clarification at 541-523-5369.

Work submitted must be of original design and of high quality. Work that is manufactured, imported, reproduction made from kits or under the supervision of an instructor is not eligible. The gallery committee reserves the right to refuse any artwork which is inconsistent with the general quality of the exhibit.

We are able to accept a larger number of smaller pieces for the December show. If there are more entries than space allows, it may be necessary to limit the number of works per artist shown. All reasonable care will be taken when handling artwork received.

There is no entry fee for this show and all items must be available for sale. There is a 30% commission for Crossroads member artists and a 40% commission for non-members. It is the artist’s responsibility to check inventory throughout the month as work sells and space becomes available.
